Membership of the UKKFF is compulsory for all students & instructors once any free trial period has ended. As a professional organisation we are required by law to keep records of our membership and hold a valid insurance policy covering all members whilst training under our instruction.

All memberships are valid for a period of 12 months from date of purchase. Annual renewals are valid from the date of previous membership expiry. In the event of a member choosing to leave the organisation we regret no pro-rata refunds are possible due to our insurance policy terms.
